

K-LOVE Radio serves our local community by providing positive music everyday. It is family-friendly and you don't have to worry what your children may hear. If K-LOVE were displaced by an LPFM broadcaster, our community would not benefit from the service that K-LOVE provides to us right now in Kentucky. We need to have a radio station that offers family type music and positive music on all the time. The service that K-LOVE provides is one of the best in the industry. Anyone and everyone that listens to K-LOVE will be encouraged, uplifted and helped by the music and the service that they provide to the public airwaves. K-LOVE supports wholesome values, and has a positive impact on our community. I know they have a positive impact everywhere in this country! Thank you for your time.

Sincerely,  
Sonia Powell
